

How to Handle and Care for Your American Metalcraft Product

Slate

Preparation:

Prior to using your slate item for the first time, hand wash with a mild detergent and warm water then dry thoroughly with a soft cloth.

Washing:

Hand wash the slate in warm water with a mild detergent and a soft sponge.

*Note: Do not expose the slate to a dishwasher, abrasive sponges, caustic cleaners, or acidic detergents.

Other Care Notes:

- A light mineral oil may be applied with a soft cloth to restore the finish of the slate.
