Birdnest Baskets: Choose from fry baskets, sugar caddies, or short and tall pedestal baskets, baskets that flip over to make risers, or round and semi-round condiment racks with a center handle slot for table numbers.

This black steel 7-3/4" diameter birdnest basket is a stylish, classic way to store condiments. Even better, it has added versatility thanks to the card holder in the middle. Use it to store number cards to make serving easier, or use it to store a specials menu or promote events at your venue! It provides ample space for salt, pepper, mustard, ketchup, and any other tabletop essentials. Pair this piece with our glass salt & pepper shakers for a classic look.
