With free-swinging decorative handles and a stylish hammered texture, our Copper Rectangular Hammered Tubs are a step up from the tubs commonly used in cafeterias and at catered events. These tubs come in a range of sizes for a range of needs, from storing silverware to keeping drinks chilled.

Ideal for holding utensils or chilling a single bottle of champagne, this 3.375 qt. tub does the job with contemporary style. Its hammered copper texture is perfectly on-trend, making it a stylish home for silverware, sparkling wine or a carafe of juice. Just fit it with an insulated polycarbonate insert (sold separately), and you won't need to worry about ice melting halfway through your event. Hand-wash only.
