A simple yet absolutely elegant design makes these creamers a must-have. They're perfect for dressing up any coffee order.

This 2-1/2 ounce porcelain creamer will add a bit of elegance to your service. Whether you're using it to serve creamer, syrup, or dressing, this creamer will create an upscale look. With a small handle to make pouring easy and a small footprint to save you table space, this piece is both functional and fashionable. Pair it with more of our porcelain accessories for a cohesive display!
