With a durable and highly attractive stainless steel finish, you can never go wrong. These creamers are a handsome option to upgrade your coffee service in both form and function.

The small things are the best ways to add a bit of shine to the table, and this hammered stainless steel 4 ounce creamer is proof of that. While it's perfect for creamer, you can also use this piece for anything like syrup, dressing and sauce! The hammered finish hides wear and tear, and the stainless steel is durable and dishwasher-safe. Pair it with its matching hammered stainless steel coffee accessories (HMSPT5 and HMSPT3) to complete the look.
