Pre-printed, three-sided, stainless steel signs allow you quick options for labeling beverages, coffee creamers, or dietary options like vegan, vegetarian and gluten-free. Why take the time to continuously create labels for predictable daily menu items? Get the signs you need and flip for the appropriate display. Problem solved in a convenient, neat, professional way. Sleek design in a bold, black, easy-to-read typeface.

Ease and versatility are what it's all about. These durable stainless steel, three-sided, 4-3/4" L x 1-1/2" W x 1-3/8" H signs identify "vegan," "vegetarian," or "gluten-free" in easy-to-read, bold, black text. Makes the buffet easier for those with dietary restrictions, and ensures fewer questions for your wait staff. Why take the time to continuously create extra labels for your buffet items? Get the signs you need, then simply flip for the appropriate label. Done.
