Put a new spin on rewriteable disks? with these stainless steel menu cards. Felt tip pens write easily on the smooth surface and wipe off for next use.

This nifty little 5" L x 2-1/2" W stainless steel sign allows you to write menu items, announcements and messages directly on the stand with a compatible felt-tip marker. Which means you don't need a separate stand and replacement cards. Just write your message on its smooth surface and wipe when it's time to change. Use for events, buffets, and directions.
