It smells delish. It's mouth-watering. But exactly what is it? Help guests give each menu item a name, and entice them to fill their plates. These stylish stainless steel card holders dress up any ordinary handwritten or printed card. For buffet lines, bakery cases, or even numbering tables at events.

Sleek and simple, this 1-1/2" L stainless steel square card holder is an elegant, easy way to tag items in a buffet or bakery display or number tables at an event. A range of card shapes and sizes will stay right where you want them, ready to guide guests. It's the perfect solution to daily menu changes.
