It smells delish. It's mouth-watering. But exactly what is it? Help guests give each menu item a name, and entice them to fill their plates. These stylish stainless steel card holders dress up any ordinary handwritten or printed card. For buffet lines, bakery cases, or even numbering tables at events.

This 4-1/8" L stainless steel card holder is an unobtrusive, sleek and simple design. It takes up minimal table space but still holds cards big and small for you to create the ideal presentation. Pair it with some of our chalkboard cards to complete the display.

- Stainless Steel
