Compact. Elegant. Flexible. Our collection of Low Profile Card Holders comes in different finishes and styles that allow you to simply and securely display wide range important information to your customers. And their small footprint allows you to get the word out without eating up much space.

This sleek nickel-plated, low profile 2-1/4" DIA. x 2-1/2" H cardholder offers an elegant medium for whatever message you want to convey to your customers. From identifying dishes in a buffet line or bakery case to numbering tables or even calling out nutrition information, this item gets the word out, while getting out of the way of the main attraction: the food.
