Add a touch of sophistication to your buffet with our rectangular Mesa chafers. Featuring a harmonious blend of copper or stainless steel with robust wrought iron, these chafers are designed to impress in any setting. Their sleek rectangular shape exudes versatility and style, pairing perfectly with other Mesa Collection pieces or standing out on their own.

Add glistening color to your buffet line with this eye-catching 27-1/8" L x 21-1/4" W copper hammered stainless steel rectangular roll top chafer. Its roll top locks in at a 90 degree position and 180 degree position to allow for different buffet configurations and easy serving by both servers and guests. This chafer also features a shelf underneath that runs the length of the pan, allowing for easy and safe storage of chafer fuel. There is also built in spoon rest, giving you one less thing to think about for your display.
