Elevate your buffet presentation with the reliable and timeless design of our round Mesa chafers. Crafted with a durable combination of copper or stainless steel and sturdy wrought iron, these chafers deliver both functionality and style. Their classic round shape integrates seamlessly into any buffet setup, whether used as a standalone piece or part of the cohesive Mesa Collection.

Stun your guests with this showstopping, glistening copper hammered stainless steel chafer. It has a capacity of 6 quarts, giving you plenty of room to serve your most popular dishes. With a wrought iron frame, this chafer is both durable and elegant. Designed to be your best resource on the buffet line, this chafer has a roll top lid that locks at 90 degree and 180 degree positions, giving you the versatility of single or dual sided serving. It also has a shelf to safely hold the fuel can, and a spoon holder for zero-mess service. This brilliant hammered chafer is an incredible look for any buffet.
