

Rectangular Ensemble Chafer

CDWP66

RECTANGULAR WATER PAN FOR CFKIT

List Price: \$64.60 EA

Pack: 6

Cu. Ft.: 1.79

Weight: 16 lbs

Collect everything you need for a sleek, fully functional chafer. These items can be used as accessory pieces or replacement items for your chafer kit (CFKIT).

This water pan will keep your foods evenly hot. Featuring a lip around the pan's edge, this deep design will prevent drips. With a universal design, this water pan is a necessary accessory for a chafer. If you need a replacement in your chafer kit, this will fit in perfectly.

- Stainless Steel
- Silver
- Dishwasher Safe
- Sleek & Durable Finish
