

Fuel Holder

FH1

FUEL HOLDER, SS
SOLD AS SINGLE UNIT

List Price: \$10.40 EA

Pack: 72

Cu. Ft.: 2.84

Weight: 22 lbs

Made to hold fuel to warm chafing dishes, this 3-1/2" diameter fuel holder is a necessary addition to your catering supplies. Made of stainless steel, this holder is both durable and easy to clean. It is great for catered events and buffet lines where you are serving large quantities of food. And it easily replaces the fuel holders included with our chafer kit, so you can switch out old holders and keep your display looking its best.

- Stainless Steel
- Silver
- Dishwasher Safe
- Simple & Sleek Structure
