When half of your crowd wants lemonade and the other half demands iced tea, American Metalcraft's Dual Juice Dispenser is the surefire way to keep everyone happy. Featuring polycarbonate bodies with ice container inserts, high-quality faucets, stainless steel frames and grated bases, our two-in-one juice dispenser (three-in-one if you count Arnold Palmers) is a handy tool wherever thirst needs to be quenched.

This 5.3 QT. polycarbonate Dual Juice Dispenser comes with everything you need to start serving two chilled beverages at a time. If you need a replacement for any part of this juice dispenser, we sell them individually to save you money and stress! With twice the functionality of a typical juice dispenser, this is a must-have tool for any restaurant, hotel or event space with elevated beverage service.
