American Metalcraft's Endurance Collection is manufactured from nearly indestructible melamine for long-lasting reliability in everyday performance. These boat-shaped Endurance platters are designed to pass for porcelain, so your guests will have no idea that the stunning centerpiece of your buffet is dishwasher-safe and incredibly durable.

This 24"-long white boat platter is a chic way to serve vegetable sides, appetizers and desserts in a buffet setting. Bright, fresh foods look especially beautiful against a crisp porcelain backdrop, and we've recreated that creamy look with strong, easy-to-sanitize melamine. Your guests will never suspect a thing (Your secret is safe with us). Not recommended for microwave use.
