The Endurance Melamine Collection: These bowls and platters are manufactured from nearly indestructible melamine for long-lasting reliability in everyday performance. Not recommended for microwave use.

This 22-7/8" L x 8-1/4" W classic white melamine serving platter will serve the perfect amount of food – meaning lots of it. The trapezoid structure keeps food contained and perfectly showcased within the angled interior. Make large quantities of hors d'oeuvres, desserts, small sandwiches, or shareable appetizers pop against the crisp white background. Dress this platter however you want to blend perfectly with any decor – we suggest pairing it with our wooden peels for the perfect brunch look or hammered stainless steel for an upscale evening.
