With organic edges, textured surfaces and dark brown mottled accents, these Antique White Melamine Bowls and Platters boast an impressive combination of durability and memorability. These pieces could pass as upscale heirloom items, but their melamine construction provides a lightness and break-resistance that you won't find in real antiques. It's truly the best of both worlds.

The off-white hue and organic design of this 23 ounce melamine bowl will highlight the craftsmanship of your own creations. Its smaller size is perfect for individual table service, but it also shines when serving appetizers, snacks or side dishes at a catered event. Functionality and style are no longer mutually exclusive thanks to the power of melamine – a highly durable, dishwasher-safe, lightweight material. Not recommended for microwave use.
