American Metalcraft seafood trays are deceptively simple. Their sleek silver design is stylishly flexible, and their high-quality aluminum construction is perfect for retaining cold serving temperatures. Plus, they nest for easy storage. It all adds up to impressive seafood service night after night.

This 19-3/4" diameter aluminum server gives an upscale look without breaking the bank. It's perfect for keeping shrimp, oysters, crab or other creations from your raw bar cold when they reach the customer. It is available in a range of sizes so you can mix and match depending on your needs for any given event. Create a unique and upscale look at the perfect price.
