Elevate the everyday with bamboo riser sets that bring natural texture and warmth to the table. With versatile shapes and nestable designs, they add an easy, organic feel to every display.

There's a lot to love about our Bamboo Frame Riser Set. Its minimalist open-frame design lends to an airy feel to buffets, keeping even the largest spread from looking cluttered, and its natural bamboo color strikes a perfect balance between elegance and simplicity. Each set comes with three differently sized risers (7-1/2" L x 4-1/4" W x 4-3/4" H, 9-1/4" L x 6-1/4" W x 6" H, and 11-1/4" L x 7-1/2" W x 7-7/8" H) that can be used vertically or horizontally, making it a versatile addition to any buffet-hosting space. They even nest for efficient, space-saving storage. Whether you use this set of risers to present trays of baked goods or platters of desserts, they'll deliver a fresh spin on the traditional buffet and make your menu items shine in the process.
