Black lacquered wood makes risers look next-level. Stepping up your display (literally) is a breeze with these voguish risers.

Create a bold and modern display with this striking black square riser set. With a 5", 7", and 9" square riser, you have the option to give your display dimension as well as height. You can place more items inside the open square construction to set your hors d'oeuvre display apart. Make things extra dynamic by pairing this set with its mahogany counterpart.
