MWPC6X2

PASTRY CUTTER, MULTI-WHEEL

List Price: \$64.40 EA

Pack: 36

Cu. Ft.: 1.66

Weight: 46 lbs

Take the guesswork out of slicing and create perfectly portioned square and rectangular slices with this adjustable multi-blade pizza cutter. Featuring a six-wheel design, this cutter allows for maximum efficiency in the kitchen and quicker service. It measures at 2-1/2" x 9-1/2" when closed, and 24-1/2" x 9-1/2" when open. The distance between the 2" parallel wheels can range from 3/4" to 4-3/4". The sanitary stainless steel wheels are resistant to rust and easy to clean. The sharp blades are reliable in commercial kitchens and won't lose their sharpness even with daily use. In addition to slicing pizza, this versatile cutter is also handy for evenly cutting pasta and pastry dough, as well as brownies and other desserts. Use this dishwasher-safe pizza cutter at your pizzeria, restaurant, diner, bakery, or hotel kitchen.

- Stainless Steel
- Silver
- Dishwasher Safe
- Adjustable Six-Blade Design
