Prepare loads of pizza, pie, and bread dough in advance without cluttering your kitchen! These straight-sided and Eastern dough pans allow you to neatly proof and store pre-made dough at your workspace or in the refrigerator. Create a tower of dough using the compatible covers as separators or take advantage of the pans' self-stacking design! These pans are the epitome of convenience – they refrigerate quickly, clean easily, stack securely, and require minimum storage space. Their durable aluminum construction is highly dependable, too!

Measuring 6-3/4" DIA. x 1/4" H, this round cover is great for proofing. It serves as a lid for our DRPE800 Eastern Stacking Pan. With this lid, you will be able to save time by preparing your pizza dough in advance and having it ready for your customers' requested toppings. Using a cover for your pre-made dough will maintain the freshness and integrity of your patrons' pizzas, as it provides protection from contaminants. You can also use this product as a stacking cover or pan separator to stack pre-made dough and pizzas until you are ready to bake them. Constructed of 18 gauge, 1 mm standard-weight aluminum, this durable cover is rust, corrosion, and warping resistant. Use this lid at your pizzeria, restaurant, diner, or hotel kitchen. Made in the US. Hand wash only using aluminum-safe detergent.
