We love innovative menu holders and bill presenters, but we know that some people are attracted to a more traditional look—and for good reason! These classic styles feature a faux leather finish with gold corner reinforcements, bringing timeless class to the table.

This classic 5" W x 9" Black bill presenter is as old-school cool as it gets. The gold corner reinforcements not only look sleek and stylish—they also guard the bill presenter against the wear and tear of life in a bustling restaurant. Features two triangular pockets for cash and receipts, as well as a credit card holder.
