We love innovative menu holders and bill presenters, but we know that some people are attracted to a more traditional look—and for good reason! These classic styles feature a faux leather finish with gold corner reinforcements, bringing timeless class to the table.

This sophisticated 10" W x 13" H menu holder is equally at home in old-school trattorias and new-school bistros. With a sleek black finish and gold lettering to match the gold corner reinforcements, it protects paper menus in style. Two easy-to-sanitize plastic inserts hold double-sided paper for a total of four pages. This menu holder also has an elastic band along the inner spine for holding daily specials in place.
