Stainless steel always adds a bit of shine to your display. These tongs mix style and function for a sleek way to serve your customers.

Designed to look clean and contemporary, these 12" L tongs are the ideal option for your buffet line or bar. They have a long handle that's perfect for larger bowls and chafers, and they're designed as one piece, so they have a clean and streamlined look. They also feature a slot in either side that acts as a draining mechanism to ensure your service is clean and your guests are only getting what they need. Pair them with the rest of the Evolution servingware to ensure your entire operation is sleek and stunning.
