Our Hammered Double-Wall Party Tubs are impressive on their own. Elevate them with these stands and you'll have a serious showpiece on your hands. Both sizes feature a wide foot for extra stability.

This 18-1/2" DIA. x 9" H double-wall hammered stainless steel party tub can hold up to 29 quarts and keep beverages and ice cold for hours. The sturdy hammered stainless steel looks great and hides wear-and-tear too, so you can keep this tub in rotation for years and years. This party tub can be used on its own, but it also pairs perfectly with the BTS16 beverage tub stand, to save yourself table space and give yourself more freedom when setting up a catered event or private party.
