These little stainless steel ice buckets are perfect for tableside service. The double-wall design keeps ice cooler longer. With a unique contemporary look, you can achieve both style and utility.

This 4-7/8" diameter double wall satin stainless steel ice bucket has a 34 ounce capacity and comes with a pair of ice tongs. With a gorgeous hourglass shape, small footprint and a satin finish, this bucket is an elegant way to serve ice to guests. It won't take up too much table space and its handle makes it easy to transport from kitchen to table. The double wall design ensures your ice will stay ice for hours – and when it melts, it will drain through the grate for easy cleanup.
