Choose from our wide variety of finishes with these wine & champagne buckets & stands! You have options to ensure you have the exact size, color and finish you need for a stunning and efficient operation.

This 6-3/8" DIA. x 24" H stainless steel stand gives you the opportunity to serve champagne or wine directly to tables without taking up vital table space and conveniently within reach for wait staff to quickly refill glasses without reaching over guests. The stainless steel finish is glistening and incredibly durable, so you can use it time and again. Pair it with our hammered stainless steel champagne bucket to truly wow your guests.

- Stainless Steel
- Silver
- Wipe Clean With Soapy Water
- Attractive & Sturdy Design
