So understated and elegant, this double wall holder and cooler feature brushed stainless steel finishes with polished and etched bases.

This 7" DIA. x 7" H stainless steel champagne bucket is built to last and make your champagne last, too. The double-wall construction ensures the champagne stays cooler for longer. It features built-in knobs on either side of the bucket that make it easy to transport at a catered event or hotel. With a gorgeous brushed stainless steel and etched base, this champagne bucket adds the upscale touch needed for champagne. Pair it with its sister wine cooler for a cohesive and ravishing look!
