Scoop ice cream like a professional with our stainless steel ice cream spade! Featuring a 3"-long and 3-1/2"-wide blade with a smooth surface and sharp edges, this spade allows you to scoop even the most frozen of ice creams with precision and ease. Its versatile blade works for all types of ice cream, including gelato, sorbet, and frozen yogurt! Plus, with the blade's flat sides, you can effortlessly pack and level out pints, cups, bowls, and tubs of your delicious flavors. Designed for commercial use, this 9"-long spade is constructed with a durable black plastic handle that offers a secure, comfortable grip. Wrist fatigue from repetitive use will be a thing of the past! The sturdy handle combined with the sharp blade also allows you to efficiently scrape up ice cream at the bottom of large tubs, so you can minimize food waste and maximize profits. Best of all, this spade is suitable for use with other foods, such as ground meat, deli salads, mashed potatoes, cookie dough, and more! Use this dishwasher-safe spade at your ice cream parlor, restaurant, deli, bakery, or hotel.
