This 10 oz. (295 mL) transparent dredge with large handle has all the right features! Made of durable plastic, the base is marked with both milliliter and ounce measurements. It allows you to identify and portion both solid and liquid ingredients with complete ease. Each unit is also shipped with three interchangeable snap-on lids (coarse, medium, and fine), so you can use it to dispense anything from cinnamon to flaky spices. Made for commercial use, this dredge is dishwasher-safe, as well as stain and odor-resistant. Its contemporary look is perfect for back-of-house and front-of-house use!

With a length of 4", width of 3", and height of 3-3/4", this transparent 10 oz. dredge is the perfect dispenser for seasonings, sprinkles, herbs, and cheeses. Designed with versatility in mind, the base is marked with both milliliter and ounce measurements. Not only does this allow you to easily measure and portion your toppings, but it also means you can use this dredge for liquids. Best of all, the base includes 3 interchangeable snap-on lids (coarse, medium, and fine) to accommodate a variety of topping sizes. Unlike standard shakers, this dredge features a convenient large handle for comfortable use. Its contemporary look makes it a suitable option for both the back and front of the house. Plus, because of its clear construction, it is easy for both staff and patrons to identify the dredge's contents. This makes refills a breeze, too! This durable plastic dredge is dishwasher safe, as well as stain and odor resistant. It can stand up to drops and commercial wear and tear. Use this dredge at your pizzeria, restaurant, diner, bakery, cafe, or hotel kitchen.
