Goodbye box graters, hello American Metalcraft's hand-crank cheese graters! Available in your choice of plastic or stainless steel, these graters are the fastest and easiest grating tools out there. The plastic model comes with three interchangeable stainless steel cylinders for thin strips, medium grating, or fine grating. The stylish stainless steel model comes with one coarse cylinder. Both options are highly durable and reliable in any commercial kitchen!

With a length of 7-3/4", width of 2-5/8", and height of 3-1/2", this plastic hand-crank cheese grater is a major step up from your typical box grater! Featuring 3 interchangeable stainless steel barrels, this grater gives you the option to create thin strip cuts or medium to fine shreds. It is the perfect all-in-one tool for grating parmesan cheese to top off pastas and salads, or shredding mozzarella for your delicious pizzas. You can even use this versatile grater for grating garlic, nuts, and chocolate! Made for commercial use, this tool's hand-crank design makes it the easiest and most efficient option for your high-volume kitchen. Plus, not only is this grater dishwasher safe, but its barrels are removable to allow for more thorough cleaning. Use this durable grater at your restaurant, pizzeria, cafe, catered event, or hotel kitchen.
