Goodbye box graters, hello American Metalcraft's hand-crank cheese graters! Available in your choice of plastic or stainless steel, these graters are the fastest and easiest grating tools out there. The plastic model comes with three interchangeable stainless steel cylinders for thin strips, medium grating, or fine grating. The stylish stainless steel model comes with one coarse cylinder. Both options are highly durable and reliable in any commercial kitchen!

With a length of 8-5/8", width of 3-5/8", and height of 2-7/8", this stainless steel hand-crank cheese grater is a major step up from your typical box grater! Featuring a coarse cylinder, this grater produces the perfect fine parmesan cheese shreds for topping off your delicious pastas and salads. You can even use it for grating garlic, nuts, and chocolate! The hand-crank design makes this grater the easiest and most efficient option for your high-volume kitchen. Plus, the stylish stainless steel construction has an impressive look for front-of-house use at upscale dining establishments and catered events. Not only is this grater dishwasher safe, but it is also resistant to rust, corrosion, and wear. Use this durable grater at your restaurant, pizzeria, cafe, or hotel kitchen.
