Add smoky flavor to just about anything. Simply soak these planks in water, add your protein or veggies, and fire up the grill! Available in three different sizes, our cedar planks are the easiest and most efficient way to take your grilled creations from ordinary to extraordinary. They add a subtle wood flavor that will "wow" your guests, and also retain the natural flavorful juices of your meats and vegetables. Plus, you can use these planks as serveware or displayware to add an extra rustic oomph to your restaurant, grille, or event! Sold in packs of 12.

With a length of 8", width of 5-1/2", and height of 1/4", this cedar plank is the key to creating smoky flavor the classic way. Simply soak the plank in water, add your protein or veggies, and fire up the grill. Ideal for steak, pork, chicken, tofu, scallops, salmon, and other types of fish, this fragrant plank adds a subtle wood flavor that will make your restaurant stand out from the rest. This wooden plank also retains moisture, helping maintain the natural flavorful juices of your meats and vegetables. Best of all, this plank can be used to serve or display your creations, adding a rustic flair to any venue. Use this cedar plank at your restaurant, grille, food truck, or hotel. Sold in a pack of 12.
