7-1/2" L, 3" W BLADE

**List Price: \$8.40 EA**

Pack: 12/120

Cu. Ft.: 0.53

Weight: 29 lbs

These dough cutters and scrapers are designed to make your life as easy as possible. With slant-edge scrapers that take the muscle out of scraping and plastic scrapers to make sure you have a durable, economical option, you can't go wrong with any of these handy pieces.

This 7-1/2"-long slant-edge scraper with its beautiful wooden handle takes versatility to the next level. Featuring a 3" wide stainless steel blade, this tool helps remove stubborn grease, dough, and baked-on debris from your dirty sheet pans and even grills. Though sharp enough to clean the dirtiest of messes, the blade is specially designed with a slanted edge to help protect surfaces from scratches. The long handle keeps you safe when cleaning hot surfaces, and provides a secure, comfortable grip to accommodate repetitive use. You can also use this scraper to temper chocolate, roll ice cream, and assist with other bakery and pastry work! Designed of high-quality materials, this durable tool can withstand the everyday wear and tear of commercial kitchens. Use this scraper at your pizzeria, restaurant, diner, bakery, or hotel kitchen. Hand wash only.
