No one enjoys a messy kitchen. Luckily, with our handy one-piece spun aluminum funnels, you can transfer liquid and solid ingredients completely mess free! They offer unbeatable efficiency, allowing you to quickly and easily refill your shakers, oil bottles, and flour containers without spillage or wasted product. Available in a variety of sizes and weights, our versatile funnels can accommodate both fine and bulkier ingredients. They are constructed of the most durable materials, so you can rely on them in your commercial kitchen for years on end!

With a diameter of 7" and height of 6-5/8", this one-piece spun aluminum funnel makes transferring liquids and dry ingredients quick and simple. You'll be able to say goodbye to inconvenient messes and wasted product! Use this funnel to refill your shakers, oil bottles, flour containers, and more. The 1 qt. capacity helps with portion control, while the 3/4" neck diameter allows you to pour ingredients into small openings in a contained and controlled manner. Constructed of 16 gauge, 1.25 mm aluminum, this funnel can stand up to the everyday wear and tear of busy commercial kitchens. Use it at your pizzeria, restaurant, diner, bakery, or hotel kitchen. Made in the US. Hand wash only using aluminum-safe detergent.
