Our commercial brushes make kitchen cleanup quick and effortless. With durable materials and comfortable designs, they power through tough messes to keep equipment looking its best. Perfect for busy restaurants and foodservice operations, these brushes deliver reliable performance shift after shift.

This wood-handled wire brush with scraper is the most efficient, reliable, and safe tool for cleaning every nook and cranny of your commercial grill or griddle. It measures at a length of 13-1/2" and height of 1 1/2". Featuring 3/4" tempered steel bristles and a rust-proof steel scraper on the opposite side, this brush can clean up the most stubborn of messes. You can say goodbye to cooked-on residual burnt food debris, heavy grease, rust, and ash! The durable wood handle offers a secure, comfortable grip for easy, controlled use. Best of all, the brush's handle has a convenient hanging hole for out-of-the-way storage. Use this brush and scraper at your restaurant, grille, diner, food truck, or hotel kitchen. Hand wash only.
