Perfect your sandwiches, wraps, and bagels with this versatile sandwich spreader. Featuring a wide stainless steel blade, this spreader is ideal for gently and efficiently spreading cream cheese, peanut butter, jelly, ketchup, mustard, mayonnaise, tuna salad, and more. The blade is conveniently designed with scalloped edges, so you can spread and slice all in one go! Plus, the spreader's overall 8" length ensures easy handling and maximum control. Unlike standard condiment spreaders, this spreader has an elegantly simple wooden handle that is attractive for front-of-house use. The durable construction is suitable for high-volume settings and makes this spreader a reliable choice for daily use. Use this handy tool at your restaurant, cafeteria, deli, cafe, or hotel. Hand wash only.
