Our stainless steel mixing bowls are the perfect mix of functionality and durability! Available in 10 different sizes, the bowls in this collection are here to accommodate all your baking, cooking, and food prep needs. Whether you are mixing sauces or kneading dough, these bowls with their specially-designed wide rims will make your job far easier. Not only does the wide rim give you something to grip onto while mixing and transporting, it also ensures all foods are contained within the bowl. It even allows for easy stacking, so you can have multiple bowl sizes on hand without making a dent in your kitchen's storage. Feel free to use these sleek-looking bowls on the daily – their high-quality construction can stand up to practically anything!

This 21 oz. stackable stainless steel mixing bowl is a kitchen staple! With a diameter of 6-1/2″ and height of 2-1/8″, it is the perfect size for measuring out and preparing ingredients, creating sauces and dips, mixing batter, and kneading dough. The wide rim offers a secure grip during use and helps keep food contained inside the bowl. Plus, it allows for easier stacking and transportation. Because this mixing bowl is constructed of durable stainless steel, it will stay good as new even with daily use in your commercial kitchen. Use this versatile mixing bowl at your pizzeria, restaurant, diner, bakery, or hotel kitchen. Dishwasher safe for easy handling.
