36" L X 2-1/2" W

**List Price: \$44.80 EA**

Pack: 24

Cu. Ft.: 1.31

Weight: 40 lbs

Our aluminum ticket racks offer lightweight strength and practical order organization for busy foodservice operations. With smooth handling and a clean, modern appearance, they help maintain efficiency and visibility throughout service. Perfect for any establishment!

With a length of 36" and height of 2-1/2", this aluminum ticket rack will keep all your orders organized in one place! Simply mount it to a wall or rack, and watch as your kitchen's efficiency and productivity skyrockets. This sturdy rack is built with marbles in the groove that keep tickets in place, as well as plastic end caps with screws that hold the marbles in. Your staff and cooks can quickly reference the tickets while processing orders, without having to worry about any tickets falling or going missing. Because of this rack's durable aluminum construction, it will prove reliable in your commercial kitchen for years on end. Plus, its sleek design is attractive enough for both back-of-house and front-of-house placement! Use this space-saving ticket rack at your restaurant, diner, pizzeria, café, bakery, or hotel kitchen.
