Order's up! Provide your guests with prompt attention by having this call bell on hand. The bell's loud, clear sound alerts your staff of your customers' presence or need of assistance, even in the noisiest and busiest of settings. It is also useful when notifying guests that their order is ready! Designed for professional use, this compact bell measures at a diameter of 3-3/8" and features a polished nickel-plated stainless steel construction with a black base. It is both durable and easy to clean. Use this versatile call bell at your restaurant, café, deli, or hotel.

- Nickel-Plated Stainless Steel
- Silver, Black
- Wipe Clean With Soapy Water
- Loud, Clear Sound
