Tracking used checks has never been easier! With these American Metalcraft check spindles, you can now keep all guest checks organized in one place. No more messy drawers or misplaced checks. In addition to being highly durable and attractive, these spindles also have rubber legs that keep them from sliding around or scratching the counters at your dining establishment! Choose from brass or nickel plated.

Keep used checks in one spot with this classic, retro spindle. Rather than taking up space in a drawer, you can now stack your checks in an efficient, space-saving, and organized manner. With a 3" diameter and height of 6", this sturdy nickel-plated check spindle can hold a large volume of guest checks. It makes tracking used checks a breeze and prevents them from getting misplaced! Designed for commercial use, this spindle has rubber legs that keep it from sliding around or scratching surfaces. Not only is it highly durable, but it also offers an attractive appearance for both back-of-house and front-of-house use. Use this check spindle at your restaurant, diner, cafe, bar, or hotel. Hand wash only.
