Our stainless steel ticket racks provide reliable order organization and a polished, professional look for any kitchen. Designed with durability and smooth handling in mind, they help maintain efficient, organized workflow during even the busiest service hours. Perfect for any establishment!

With a length of 48" and height of 3-1/2", this stainless steel ticket rack will keep all your orders organized in one place! Simply mount it to the wall, and watch as your kitchen's efficiency and productivity skyrockets. This sturdy rack is built with marbles in the groove that keep tickets in place, as well as plastic end caps with screws that hold the marbles in. Your staff and cooks can quickly reference the tickets while processing orders, without having to worry about any tickets falling or going missing. Because of this rack's durable stainless steel construction, it will prove reliable in your commercial kitchen for years on end. Plus, its sleek design is attractive enough for both back-of-house and front-of-house placement! Use this space-saving ticket rack at your restaurant, diner, pizzeria, café, bakery, or hotel kitchen.
