With multiple serving size options marked clearly along each hammered handle, these beautiful servers provide portion control for your buffet and disguise the appearance of fingerprints and wear. Their durable, easy to clean stainless steel construction makes them perfect for institutional settings.

With a serving size of a 1/3 cup, this elegant hammered stainless steel portion server provides an easy way to serve every last bit of food in the pan with its tapered shape. The standard serving size allows you to plan for crowds effectively. Reduce waste, plan ahead, and control portions at your buffet with this spoon!
