With multiple serving size options marked clearly along each hammered handle, these beautiful servers provide portion control for your buffet and disguise the appearance of fingerprints and wear. Their durable, easy to clean stainless steel construction makes them perfect for institutional settings.

With a serving size of a 1/4 cup, this chic hammered stainless steel portion server is the perfect solution to portion control in the buffet line. The standard serving size allows you to plan for crowds effectively and ensure that every last bit of food is eaten. Plus, its egg-shaped scoop can reach the corners of rectangular food pans, allowing your customers to enjoy every last bit so no food goes to waste.
