Heavy-duty cast iron goes straight from oven to table and looks great at stations and buffets. With so many sizes and styles, there's sure to be one (or two) for you! Be sure to see our mini styles.

Designed to retain warmth when used at a serving station or buffet, this 8-3/4" diameter round cast iron casserole dish features handles that make it perfect for oven to table service. With a capacity of 96 ounces and a cast iron construction, this pot is ideal for buffets and catered events. Cast iron is a great option because it provides outstanding heat conduction for fast, even cooking, and it will keep your food at optimal temperatures when serving.
