Absolute elegance! The polycarbonate body features an offset ice reservoir for easier beverage filling and speed with refilling. Stainless steel legs, lid and frame are incorporated into the design.

The Evolution Juice Dispenser brings modernity and style to your beverage service. A durable polycarbonate body holds 3 gallons (12 qt.) of the beverage of your choice atop a sturdy stainless steel stand. Within the body, an ice tube helps keep beverages chilled and ready for service. At 11" L by 12" W and 23-1/8" high, it puts the "fresh" in "refreshing beverages."
