Industrial chic meets down-home cool. These flat, rectangular, satin stainless steel trays are available in three useful sizes. As practical for prep as they are attractive on the table, these are your go-to for appetizers, sushi, and sandwiches. Raised sides keep items on the tray where they belong. Indestructible stainless steel stays gorgeous for years and cleans up easily.

Our durable 12" L x 8-1/4" W satin-finish, stainless steel tray is the casual way to serve up sandwiches and sushi. A rectangular design with raised sides keeps food where it should be, and because it's stainless, it's a snap to sanitize. Stays fresh for years.
