The fry paper is FDA approved and food safe. Choose from flat sheets or pre-formed folded squares. The new smaller FDA-approved sheets fit perfectly into smaller vessels like fry cups and mini fry baskets.

This 10" x 10" fry & basket paper has a natural color that looks right at home in any environment, from an upscale venue as the basket liner for fresh baked bread, to a casual deli as a wrap for to-go items. The 10" x 10" size fits well into most baskets – great when you want to ensure the perfect amount of paper in your presentation.
